

How to Guide.... Accessing and Submitting Assignments (Homework)

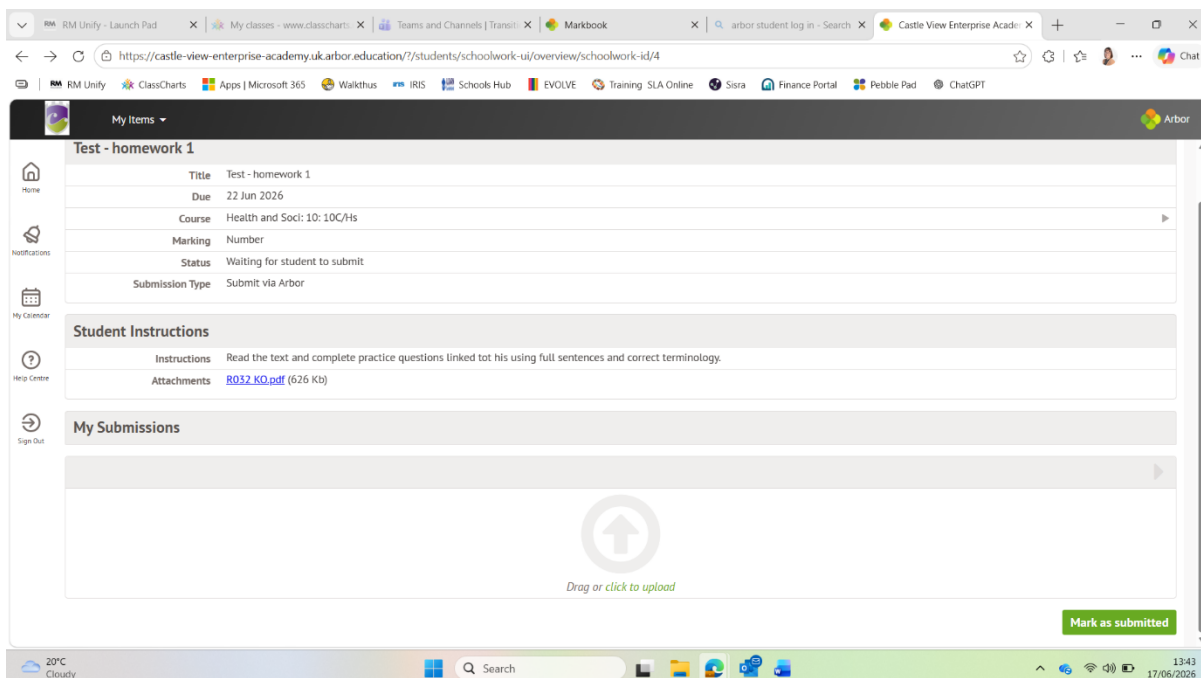

Step 1:

- Log into the Arbor portal using your email and password and it will take you to this page. All your assignments are displayed where the purple box is showing you.

Step 2:

- Click on the assignment you want to work on or submit and you will be taken to this page:

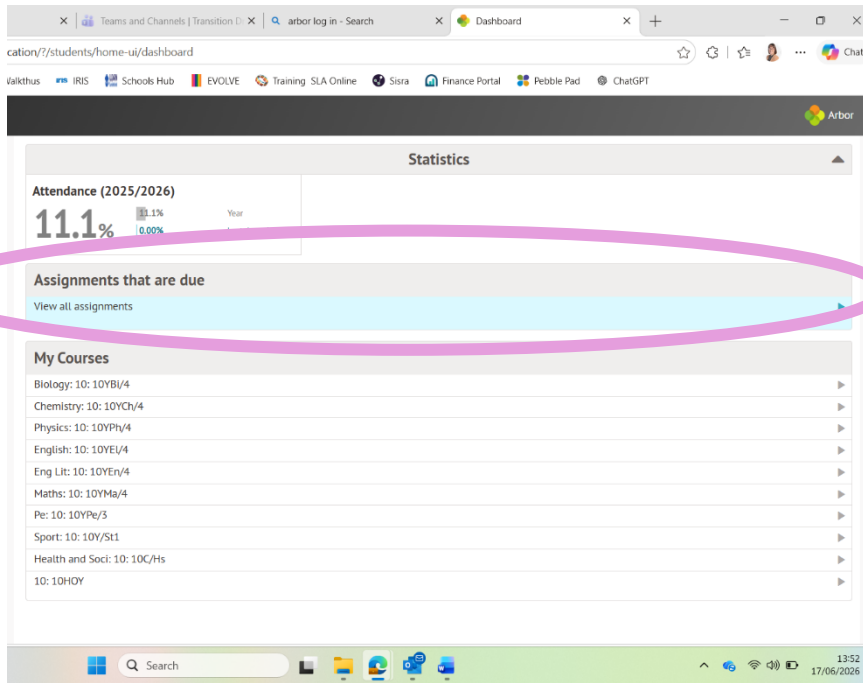

Step 3:

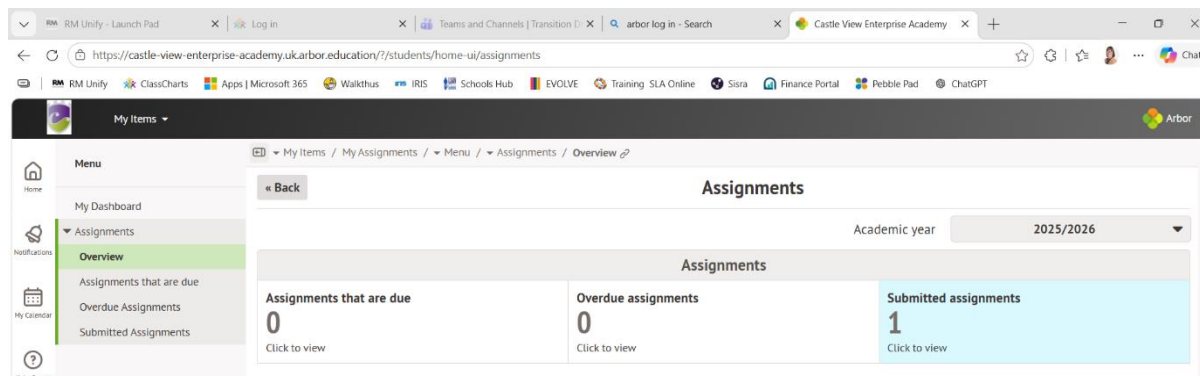

- Click to choose where to upload work from or drag it into the box available and then click 'mark as submitted'.
- This is now sent to your teacher to review and mark.

Reviewing marked assignments (homework)

To see if homework has been marked – click 'View all assignments'.

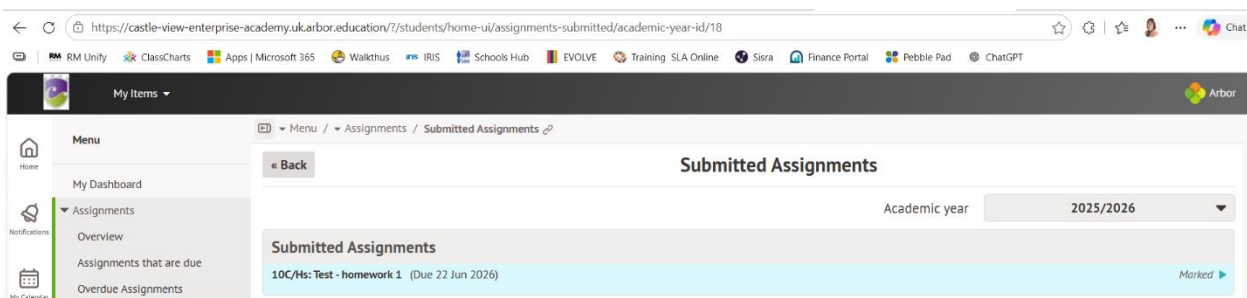

You will then see this page:

Step 1:

- Click on 'Submitted Assignments' and look for the assignments/s that state 'marked'.

Step 2:

- Click the assignment you wish to see the mark for and you will be displayed with this page and your mark will be shown. Any comments your teacher has made will also be displayed here.
