

September 2023

Dear Parents/Carers

I am delighted to be able to share our Ofsted report. As you are aware we were inspected on 27 and 28 June 2023. The final report has just arrived this week and I am proud to say we were graded the following:

Overall effectiveness	GOOD
The quality of education	GOOD
Behaviour and attitudes	GOOD
Personal development	GOOD
Leadership and management	GOOD

Ofsted recognised that the school is built on 'positive relationships and high expectations. There is a respectful warmth between staff and pupils'.

I would like to personally thank all parents/carers who completed the survey as the results demonstrate that 'the overwhelming majority of parents would recommend this school to others'.

The pupils were able to articulate that they feel 'safe and enjoy coming to school'. They shared that 'bullying is rare. When it does happen, staff deal with it swiftly and effectively'.

Ofsted also recognised how 'personal development of pupils is a strength of the school' and that they 'have access to a wide range of opportunities'. We offer our pupils an 'established high quality careers programme'.

It is a privilege that Ofsted feel, following a review of the school's curriculum, 'the quality of education has improved' and 'staff have designed a curriculum that is ambitious for all pupils'. We have 'prioritised reading across the curriculum' and 'have set high standards for behaviour'.

I am overjoyed with the report (full report attached), especially with this inspection being my first as Principal. I hope you will be equally as pleased as a parent/carer of a child who attends this school.

Yours faithfully,

Mrs J Owens  
Principal
